Subject: Joint Report to the Panel

Dear Members of the Tribunal:

Thank you for allowing us an additional week to get this report to you.

It is the joint view of both parties that the Panel Majority's Partial Final Award dated Jan. 7, 2018 sets forth on page 55-56 its award on liability and on all remedial issues other than the amount of the payments referenced in paragraph (4) on page 55. Pursuant to the Panel's direction, the parties have met and conferred on that dollar figure and have agreed to the following:

While Respondent disagrees with the Panel Majority's Partial Final Award, and reserves all rights with respect thereto, the Parties agree that 25% of the Net Drop (money dropped into the machines, after payout but before expense), applied to Respondent's Net Drop of slot machines from January 1, 2017 – December 31, 2018 amounts to \$255, 877, 747.44.

If the Panel wishes to receive proposed language for the *dispositif* of a final award, the Parties will provide the same jointly or separately.

Thank you for your consideration.
